### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.
2. Authorization for this examiner's amendment was given in a telephone interview with John O'Banion on 5/5/05.
3. The application has been amended as follows:
  - Claim 4, A method as recited in claim 1, wherein said hop node comprises a node on a path to a target. --
4. The following is an examiner's statement of reasons for allowance: The prior art of record in singly or in combination failed to teach a method and apparatus for coordinating multipoint group members in the multicast conferencing environment which comprises the combination of having a hop node receiving transmitted control directives, which is an aggregation of multiple requests for the same information from different nodes in the multicast tree and forwarded combined the aggregated requests and determination at the hop that the received same control directives from different nodes whether they can be satisfied at the hop node, if not the control directive will self-routed to the target nodes. For this rationale claims 1, 4, 6-10 13,15-18, 21, 23-25 and 34-41 are allowed.

With respect to claim 26-33 and 42-70, the subject matters were previously indicated allowable. The following is an examiner's statement of reasons for allowance: The prior art of record in singly or in combination failed to teach a method and apparatus for coordinating
